

OUR ROVING CAMERAMAN

THE aboriginal people in this State are scattered over a wide area, so far apart that many of them may never meet, but the magic camera can bring to us intimate glimpses of these people and enable us to become better acquainted with each other.

If you have photos at home, similar to those you see published in *Dawn*, send them along and thus add to, and maintain, the interest in your fellow men and women.

Meet Mr. and Mrs. King of Woodenbong.

This coy young lady is Nancy Clarke of Purfleet.

Two pretty little lasses. Barbara and Fay Goolagong of Barellan.

This very shapely young lady is Melvie Simm of West Waratah.

One of our young friends from Guyra . . . Betty Williams.

Another photo of Melvie Simm . . . this time all dressed up.
